As a Business person, have you ever asked yourself, "Am I doing the right thing?"

If you have, then you are not alone.

Business people, employees and employers regularly struggle to apply Kingdom principles in real life.

This seminar was designed to help people working in businesses to discover solid principles for honest, sound and successful business.

We invite you and your spouse to join our passionate team of seminar leaders for a fresh, provocative and challenging look at your business affairs.

You'll be both inspired and practically equipped to conduct your affairs in a new way of work.
